BELLARMINE—SAN JOSE

Twelve students organized themselves under the direction of Mr. Joseph Brusher to form the Bellarmine Athenaeum, an extra-curricula literary society seeking to afford greater familiarity with modern authors, and to encourage playwriting, short stories, and other literary efforts. One seeking for membership must maintain B rating in all his studies and a B plus in English. The meetings, to be held every Friday evening, began with the study of G. K. Chesterton and Joyce Kilmer.

Father Budde made an economic improvement by rearranging the gas pipes on the grounds to lead through a single meter instead of three.

Assistant Fire Chief Walter Page gave the boys a great time with his fire prevention lecture. The opening feature was held on the football field. A wild bonfire was allowed to make headway; and at a given signal four student volunteers allowed to charge upon it with extinguishers. They did a good job on the fire and each other. In the talk following he tried to trick them with questions, but usually found them one step ahead of him.

BROPHY COLLEGE

BROPHY COLLEGE IS SAVED, thanks be to the splendid organization that was built up and directed untiringly by Father Fox. Over eleven thousand dollars in cash have been collected and six thousand in pledges. By the end of June Father Fox expects to get the four thousand in cash to make up the total of fifteen thousand.

The publicity received in the campaign is invaluable. It is worth thousands of dollars. The daily papers gave space on front pages and featured Brophy in special editorials. The two radio stations each gave four or five free broadcasts. Fathers Fox, O'Keeffe, Flynn, McCarthy and several laymen spoke. Father Madigan

spoke before the Elks, Father Fox before all the civic clubs, Father Rector in several places. Father McCarthy addressed the Jews, the Knights of Columbus, the Indians, the Sisters and Nurses at the Hospital and also spoke at Casa Grande.

Several meetings of workers were held at the Adams Hotel, Westward Ho, and at Brophy. Inspiring talks were given by Fathers Rector, Fox, Wales. Father Provincial came over for a big luncheon and thrilled the campaign workers with his appeal for Brophy.

Father Fox is now arranging with the Masons for a big benefit show. Gene Tunney is to be Master of Ceremonies, several Movie Stars are to furnish the entertainment and the Shriners' Band the music. The big Orpheum Theatre has been given to Father Fox free for the night.

A drive is now on for new students, especially boarders. Letters are being written to the East and North by many friends of the College. Speeches are being given in Arizona to attract more students. The drive has given new life and hope to Brophy College.

LOS GATOS

Father Rector's Day was a continuation of the jubilation of Easter Sunday. After Community Mass and breakfast, the Junior-Novice baseball game brought the morning to an exciting end. Dinner was served at 1 P. M. At 7:00 P. M. an academy was held in honor of Father Rector.

Bishop Kearney of Salt Lake, who was at Santa Clara for the Passion Play ceremonies, visited the Novitiate April 3.

A beautiful shrine to St. Joseph, above the ball-field and on the edge of the lake, was recently completed. The screen of the altar is about fifteen feet high, and is surmounted by a Celtic cross. The approach from the

front is terraced by stone walls and steps. A half-circle of Eucalyptus trees was planted around the shrine to complete the sanctuary. It is hoped that Mass will be celebrated there on the Solemnity of the Feast of St. Joseph.

It would greatly facilitate matters for Superiors at the Novitiate when our Fathers recommend men for employment, if they would drop a line or phone to enquire if there is employment to be had.

LOYOLA UNIVERSITY

Six graduating members of the Senior Class of Loyola University will give a public disputation of Ethics and Natural Theology on May 31. The disputation will be conducted according to traditional scholastic form; twelve minutes for the explanation and proof of the thesis; ten minutes for objections and seven minutes for "extra formam" questioning. Two invited guests, Rev. Martin McNicholas, Ph. D., and Rev. Vincent Lloyd Russell, Ph. D., of San Pedro, will take part as extraordinary objectors. The disputation will be held under the patronage of His Excellency Rt. Rev. John J. Cantwell, D. D. Professors of philosophy from the leading universities of the southland will be invited to attend and participate in the discussion.

In addition to his regular broadcasts of Catholic subjects over station KMPC every Monday evening at five o'clock; Father Joseph Vaughan, S. J., Ethics professor of Loyola, has been invited to give a second talk over the same station at the same time on Friday evenings. Father Vaughan has received letters of commendation from as far north as San Jose, and from San Diego on the south. Father Vaughan recently received a Ph. D. degree in philosophy from the Gregorian university for work done in that branch at Valkenburg.

The debating societies of Loyola engaged in the following contests: Apr. 21, two teams of the Senate Debating Society under Mr. O'Farrell, S. J., engaged with San Diego State College; the House Debating Society engaged with U. C. L. A. Frosh; non-decision. Apr. 24, two Senate teams debated affirmatively and negatively with Santa Barbara State College; Apr. 26, two teams debated Pomona College. In the evening the Debating schedule closed with a debate with San Francisco University on the subject, "Resolved, that the 'Buy-American' Plan Is Unsound." Previous de-

bates contested the question of Inter-allied War Debts.

Under the auspices of the Sodality of the Blessed Virgin Mary, the university band and glee club appeared at the Knights of Columbus Hall at a special "Loyola Night" program, Apr. 17. The musical organization supplied the entertainment at a program given at St. Joseph's parish, Apr. 19, for the benefit of the unemployed. The Glee Club was invited to present a program at the Santa Monica Junior Chamber of Commerce Apr. 21.

Backing a plan to unite the alumni and alumnae of all Catholic Colleges in southern California "for social and religious purposes," the Alumni of Loyola University sponsored the proposed federation with a dance at the Knights of Columbus Clubhouse, Los Angeles, Apr. 21.

"Staff Changes and the Adjustment of Curricula" was the subject of a paper read by Father Duce to the members of the Association of Colleges and Universities of the Pacific Southwest, at California Institute of Technology. Following a social assembly at the Huntington Library and a luncheon at Cal-Tech, members of the Association convened to the lounge room of Dabney Hall where Father Duce's paper was read. Dr. Ray L. Wilbur, of Stanford, and Dr. Henry S. Pritchett, of the Carnegie Foundation for the Advancement of Teaching, were other speakers on the same program. During the business session of the convention, a singular honor was conferred upon Father Duce when he was elected to an official position in the Association. President Von Kleinsmid of U. S. C. tendered his congratulations.

A serious attack of sinus trouble sent Father John Connolly, dean, to Queen of Angels hospital for a week, during the early part of April.

Mr. Calvin P. Gaynor, professor of English and Government, has given a series of talks over the Columbia Broadcasting system. His talks were concerned with the political and social topics of Modern Ireland; he stressed, too, Ireland's contribution to civilization by her influence of religion and culture. These talks were part of a program of "World Affairs."

Mr. Thomas Lieb obtained from the Culver City Council, fourteen full grown trees which were transplanted to the Loyola university campus. Students and workmen labored for a week planting the palm trees in various spots around the campus.

Stanford University's debating team

defeated Mr. O'Farrell's Senate on the question of inter-allied war debts Apr. 1, held at Myles Memorial Playhouse, Santa Monica. The decision favored Stanford by a 2 to 1 vote. The judges declared that the point system of scoring used by them indicated a very close decision. The excellence of the debate was praised from both a logical and oratorical standpoint. Stanford expressed its keen desire to meet Loyola in future debates.

SANTA BARBARA

We have been highly gratified by the devotion manifested by our people during Lent. While large numbers assisted at daily mass and at the evening devotions. Holy Week saw an increase of faith, and on Good Friday, when Fr. H. Ring gave the "Three Hours" in our church every seat was taken, and Easter Sunday brought unprecedented numbers to Holy Communion. Many returned to the sacraments, who had been away from them for years.

SANTA CLARA

The Passion Play, produced from April 5th to April 9th, drew praise from all who saw it. Not a detail that could contribute to the success of the production had been overlooked. A Pontifical High Mass with Bishop Kearney of Salt Lake officiating opened the week and also commemorated the 19th centenary of our Lord's death. Several monsignori and other priests from far and near attended this mass and the cast were present in costume. Civic and military worthies were guests during the day. Seventy students of Belmont Military Academy made up the choir and also gave a band concert and drill in the afternoon for the Bishop and our guests. The general attendance at the Passion Play was up to all expectations and several notables in various walks of life were present at one or other of the performances.

Father Arthur Coghlan was called to San Francisco for the death of his mother, who had been ailing for some time.

The annual Ryland debate on the question of Soviet Recognition was held in the University auditorium before a large audience. All speakers reflected credit on themselves and the Faculty moderators, Fathers Edward Boland and Cornelius Deeney.

In the mission chapel at Santa Clara on April 23rd, officers and men of the Army, Navy, and Marine Corps

joined with people of the San Francisco Bay Region in a final reverent tribute to the 73 navy men who perished in the recent wreck of the airship Akron. The Solemn High Mass was celebrated by Rev. Father Lyons, assisted by Rev. Lloyd Burns and Rev. Henry Strehl. A touching eulogy was delivered by Fr. Denis Kavanagh. Former president Mr. Herbert Hoover with Mrs. Hoover flanked by Army, Navy, and Marine Corps officers in full uniform attended the services with upward of 2000 persons of less importance. Seventy boys from St. Joseph's Military Academy formed the choir and cadets from the same academy stood a guard of honor beside the flag-draped catafalque. After the mass taps were sounded on the green campus outside by the bugler of the Marine Corps, in front of a replica of the Akron beautifully worked in white roses on the grassy carpet.

SAN FRANCISCO University

Conforming to the wishes of Our Holy Father and with the commendation His Excellency Edward J. Hanna, the Jesuit Universities of the Pacific Coast have organized a Pilgrimage to the Holy City, and other places of sacred memory throughout Europe. This pilgrimage will be under the care of the firm of Thos. Cook and Son.

Rev. Father Fitzgerald, Provincial of Oregon, and Bishop Kearney of Salt Lake, and Rev. Father O'Keefe, of Phoenix, Arizona, were among our guests during the month.

Fr. Jos. King, who was with us all

Lent, lending invaluable assistance, returned to Port Townsend at Easter.

The recent Oratorical Contest for law students revealed the presence of many skillful and erudite speakers. Joseph Karesh, the winner, delivered a masterful address on the Constitution, pointing out the dangers of Fascism and Communism to American life. The other subjects chosen were "The Labors and Merits of the Recently-retired Chief Justice Holmes," "An Indictment of the Moral Standard of the Legal Profession of Today," and "Divorce Laws."

The final production of the College Players will be "Wings Over Europe." It is an all-male cast, the first of its type to be held, and includes all of the stars of past productions.

Hon. Mayor Rossi was secured as speaker for the University of San Francisco Kappa Alpha Phi Society. He will address the student body on "City Government and Its Problems." It will be the first appearance of a mayor before the student body.

High School

The High School Senior Play will be presented this year on the nights of May 9th and 10th. Two separate casts will perform on the succeeding evenings. The play, "Tomorrow We Die," was written by Gerald Cullinan, a high school student.

Church

Eight college students assisted at the Tenebrae services, singing one of the Lamentations, the Benedictus and the Christus Factus Est. Fr. Lawrence Heney preached the Three Hours on Good Friday. There was only standing room for late comers.

House

Many of the members of the Community have been in the hospital during the past few weeks. Fr. Carroll, who was in danger of having his leg amputated, is now able to walk around. As the result of his accident, two of his toes were amputated. Fr. Mei has been under observation for stomach trouble. He was away from class for over three weeks. Fr. McFadden went to the hospital with a severe cold and later had his tonsils extracted. Both F. Morton and Mr. McGrory had sinus operations.

The Palm Sunday Concert was renewed this year when a male chorus of sixteen voices under the direction of Uda Waldrop presented Dubois' Seven Last Words. Besides this they sang many other sacred pieces. The concert was held in the Civic Auditorium and was attended by well over two thousand people.
